The screenshot displays a web interface for 'Assurance Programs'. At the top, there is a navigation bar with tabs for 'Connections', 'Assurance Programs', 'Questionnaires', and 'Scans'. The main content area is divided into three sections:

- Data:** This section is further divided into 'Company Information' and 'Financials'.

Company Information		Financials	
Website	Advent.com	Global Employees	Advent.com
Company Legal Name	Advent Software, Inc	# of IT Staff Globally	67
- External Surveys:** This section shows three completed surveys, each with a 100% completion rate:
 - ISO 9001
 - SHARED ASSESSMENTS
 - PCI DSS COMPLIANT
- Scans:** This section is titled 'Security Ratings' and features a row of logos for various security providers: BITSIGHT, SecurityScorecard, riskrecon, ArgosRisk, SpyCloud, SUPPLY WISDOM, HACKNOTICE, BlueVoyant, and osano.

YOUR SECURITY POSTURE AVAILABLE TO CUSTOMERS

Connected customers will be able to see your security data, external surveys and scans.
