## ANSWER ONE, SHARE MANY

Sharing your security posture has never been easier! Once you finish uploading all your questionnaires, certifications and attestations, simply share your profile with the click of a button.

### IT ALL STARTS WITH A CLICK

To share your security profile with other customers, click on the **Share My Data** button located on the Connections page.

### SHARE DATA WITH YOUR CUSTOMERS

All you need to do is right here in this form, it's quick and easy!

**Share data with your customer(s)**

By submitting this request, your customer will be emailed and prompted to view your profile.

**THEN SIMPLY CLICK SUBMIT!**

**TIP:**  
You can create a template to send your profile. Contact us for help!

Enter the customer point of contact email, add a subject line and include any message you wish.

### SHARE DOCUMENT

Include additional custom documentation, such as an NDA, when sharing your security profile.

**UPLOAD ONCE AND SHARE WHENEVER YOU WANT.**

USE THE TOGGLE BUTTON TO TURN IT ON OR OFF

### SELECTIVE SHARING

Choose which of all your uploaded documents you wish to share with each one of your customers.

**JUST CLICK ON THE DOCUMENTS YOU WANT TO SHARE!**

USE THE TOGGLE BUTTON TO TURN IT ON OR OFF

Your point of contact will receive an email from [support@thirdpartytrust.com](mailto:support@thirdpartytrust.com) with a link to register. Once the registration steps are completed, they will be able to accept your request and view your security profile.
